Book Synopsis

From strip clubs and truck stops to southern coast mansions and prep schools, one girl tries to stay true to herself.

These Royals will ruin you...

Ella Harper is a survivor—a pragmatic optimist. She’s spent her whole life moving from town to town with her flighty mother, struggling to make ends meet and believing that someday she’ll climb out of the gutter. After her mother’s death, Ella is truly alone.

Until Callum Royal appears, plucking Ella out of poverty and tossing her into his posh mansion among his five sons who all hate her. Each Royal boy is more magnetic than the last, but none as captivating as Reed Royal, the boy who is determined to send her back to the slums she came from.
